

Medicare Select* Contracting Hospital Listing

You could save more money every month with our popular Medicare Select option!

Is Medicare Select right for you?

Medicare Select is a money-saving option that is not an HMO. It fills the gaps in Medicare like our standard option, but it costs less. With Medicare Select, you are fully covered for emergency care at any hospital, and you can still choose your own doctors and specialists. Sound too good to be true?

With Medicare Select, all you need to do is use any of our Medicare Select contracting hospitals for non-emergency care. If you do not use one of these hospitals, you agree to pay the Part A deductible. It's that simple!

See if a hospital you would use is in our listing.

If so, our money-saving Medicare Select option may be right for you.

Sometimes there are changes to the Medicare Select Contracting Hospital Network. If you have any questions about this listing, please call 1-800-624-1723.
