You have the option to purchase any of the Medicare Supplement benefit plans shown on the front cover in white as Standard Plans or as Medicare Select Plans, with the exception of Plan A and High Deductible Plan F*, which are available as **Standard Plans only**. Medicare Select Plans require that you use a Blue Cross and Blue Shield of Illinois contracting Medicare Select hospital for non-emergency admissions to receive coverage for the Medicare Part A deductible.

PREMIUM INFORMATION

Blue Cross and Blue Shield of Illinois can only raise your premium if we raise the premium for all policies like yours in the state. We will not change your premium or cancel your policy because of poor health. Premiums change at age 65 and every year thereafter up to age 100. If your premium changes, you will be notified at least 30 days in advance.

* This high deductible plan pays the same benefits as Plan F after one has paid a calendar year \$2,200 deductible. Benefits from High Deductible Plan F will not begin until out-of-pocket expenses are \$2,200. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. This includes the Medicare deductibles for Part A and Part B, but does not include the plan's separate foreign travel emergency deductible.
